

Change Notice

Change of Finish on KB Series Mounting Nut

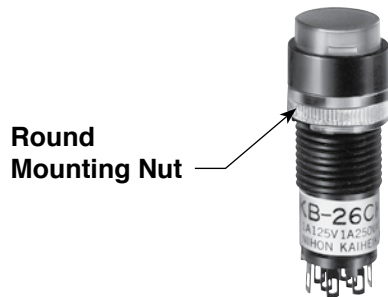

Type of Change:

- Engineering
- Part Number
- Product
- Appearance

KB Series bushing mount switches and indicators will have a change to the knurled nut surface finish. This change will affect the square, round and rectangular devices. The surface finish change will not affect dimensions; the tone of the color will be slightly different as a result of the change.

Mounting Nut on All Shapes of KB Bushing Mount

- Square
- Round
- Rectangular

| Mounting Nut | |
|----------------|--------------------------------------|
| Before Change | After Change |
| Nickel Plating | Zinc Plating with Chromate Finish |

Availability

Change to the finish of the KB Series Mounting Nut will begin with April 2010 production.
