

Change Notice

LP01, YB, YB2 Series

Changes to Logo, Location & Production for LP01, YB & YB2 Pushbuttons

Type of Change:

- Engineering Part Number
- Product Appearance

I. The location of production will change for LP01, YB and YB2 Pushbuttons and YB Indicators from the Japan factory to the Philippines factory. The place of manufacture will no longer appear on the switches, and the NKK logo will be updated (with the exception of YB2 square switches). The lot number on the switch case will have a dot mark above the second digit, and the box in which the switches are packaged for shipping will read "PHILIPPINES FACTORY" instead of "JAPAN FACTORY." All of these revisions will apply to standard, custom and UL/CSA approved products. Effected standard part numbers are on the following pages.

Changes for LP01, YB & YB2 Pushbuttons

	Switch Case	Logo	Lot Number	Shipping Box
Before Changes	"JAPAN" on Switch Case	Older NKK Logo 	Example of Lot Number 69	 "JAPAN FACTORY" printed on side of box
After Changes	"JAPAN" on Switch Case Removed	NKK Logo Updated 	Example of Lot Number with Dot Mark Above Second Digit 6 [•] 9	 "PHILIPPINES FACTORY" printed on side of box

Notes

There are no changes to the switches' dimensions or specifications.
The location of the Lot Number on switch case may vary depending on the part number.
Contact the factory if more details are needed.

UL Factory Code Added for LP01, YB & YB2 Pushbuttons

Type of Change:

- Engineering Part Number
 Product Appearance

2. LP01, YB and YB2 Pushbuttons with UL approval will have a change on the switch case to include both standard and custom devices. Previously, the UL symbol appeared on the case without a factory code. After the change, the code 080 will appear next to the UL symbol. The table illustrates the difference. Effected standard part numbers are on the following pages.

UL Factory Code Change	
Before Change	After Change
UL Approval & No Factory Code 	UL Approval & Factory Code Added 

Notes

There are no changes to the switches' dimensions or specifications.
 The location of the UL code on switch case may vary depending on the part number.
 Contact the factory if more details are needed.
