JP Series

Changes to Logo, Location & Production for JPM & JPL Pushbuttons

Type of Change:

- Engineering
- Part Number
- Product
- Appearance

I. The location of production will change for JP Pushbuttons from the Japan factory to the China factory. The place of manufacture will no longer appear on the switches, and the NKK logo will be updated. The lot number on the switch case will have a dot mark above the first digit, and the box in which the switches are packaged for shipping will read "CHINA FACTORY" instead of "JAPAN FACTORY." All of these revisions will apply to standard, custom and UL/CSA approved products. Effected standard part numbers are on the following page.

Changes for JP Series Pushbuttons

	Switch Case	Logo	Lot Number	Shipping Box
Before Changes	"JAPAN" on Switch Case	Older NKK Logo 	Example of Lot Number 79	 "JAPAN FACTORY" printed on side of box
After Changes	"JAPAN" on Switch Case Removed	NKK Logo Updated 	Example of Lot Number with Dot Mark Above First Digit 7 [•] 9	 "CHINA FACTORY" printed on side of box

Notes

There are no changes to the switches' dimensions or specifications.
The location of logo or lot number on switch case may vary depending on the part number.
Contact the factory if more details are needed.

Effective Date

Production changes for JP Series Pushbuttons will be effective April 2018.

UL Factory Code Added for JP Pushbuttons

Type of Change:

- Engineering Part Number
 Product Appearance

2. JP Pushbuttons with UL approval will have a change on the switch case to include both standard and custom devices. Previously, the UL symbol appeared on the case without a factory code. After the change, the code 078 will appear next to the UL symbol. The table illustrates the difference. Effected standard part numbers are on the following table.

UL Factory Code Change	
Before Change	After Change
UL Approval & No Factory Code 	UL Approval & Factory Code Added  078

Notes

There are no changes to the switches' dimensions or specifications.
 The location of the UL code on switch case may vary depending on the part number.
 Contact the factory if more details are needed.
