## Changes to Location of Production for JB Series Caps

Type of Change:

- Engineering     Part Number
- Product         Appearance

The location of production for JB Series caps will be changing. AT4059 cap for nonilluminated and AT4060 cap for illuminated tactile switches will be packaged in boxes for shipping that will now read "CHINA FACTORY" instead of "JAPAN FACTORY." This change will apply to both standard and custom JB Series caps. The effected standard part numbers are listed on the table below.
